2. To assume the cost of continued maintenance and repair to the property so as to preserve the architectural, historical, or archaeological integrity of the property for the specified period of time in order to protect and enhance those qualities that made the property eligible for listing on the National Register of Historic Places;

The Department Agrees:

1. To report to the United States Department of the Interior when any part of this agreement and its covenants as it relates to the Federal administration of the grant, are not satisfied so that appropriate action may be taken;
2. To make periodic inspections of the site and facilities;
3. To recommend normal and routine preventive care of those areas and facilities of the Carlinville Historic District: Loomis House affected by this historic preservation grant; and the Department may proceed to enforce this provision through appropriate legal action.
