

EXISTING CONDITIONS

- Spot-repoint existing masonry. New mortar should match the historic in composition (type N or softer), texture and joint profile (refer to Preservation Brief 2).
- All existing windows to be replaced with full height arched-top double or single hung windows, matching the appearance of the historic windows.
- Existing signs to be removed.

PROPOSED DESIGN

(trees and lampposts removed for drawing clarity)

Non-historic materials covering the storefronts are to be painted in dark, receding colors as shown. Actual signs and awnings to be determined by individual businesses. Trees were removed for drawing clarity. Upper story of the building to be painted uniformly with the following colors (Sherwin Williams):
