

from Ghian Foreman to Host (privately): 1:00 PM

Good afternoon! I just couldnt wait to see all of you guys!

from Ghian Foreman to Host (privately): 1:01 PM

cool

from Andrew Werther to Host (privately): 1:06 PM

Thank you for the Introduction! Just to be sure I enter the Project city and NPS code correctly, during the meeting time I place the required information in this chat box, but change the recipients to 'All Panelists,' correct?

from Anna Margaret Barris to Andrew Werther (privately): 1:09 PM

you should send the message to everyone, not jsut the panelist

from Michael Dubansky to Host (privately): 1:10 PM

Hi Anna, I was planning on signing in for Overton as well. Is that ok?

from Andrew Werther to Host (privately): 1:10 PM

Perfect, thank you. I will enter to everyone when prompted. Thank you again!

from Anna Margaret Barris to Michael Dubansky (privately): 1:10 PM

Hi MIcheal, yes you can sign in for muliple projects

from Michael Dubansky to Host (privately): 1:11 PM

Ok thank you

from Emily Ramsey to All Panelists: 1:14 PM

I see options for chatting with All Panelists, but not for everyone including attendees?

from Anna Margaret Barris to Emily Ramsey (privately): 1:15 PM

there is an option for sending to all attendees

from Anna Margaret Barris to Emily Ramsey (privately): 1:15 PM

you may need to scroll through the selections

from Anna Margaret Barris to Emily Ramsey (privately): 1:17 PM

did you find it?

from Emily Ramsey to All Panelists: 1:17 PM

My options are Host, Presenter, Host and Presenter, and All Panelists. Nothing else is coming up for me....maybe when other people join? I'm also only seeing myself in the list of attendees.

from Anna Margaret Barris to Everyone: 1:18 PM

there should be an "everyone" or all attendees..?

from Emily Ramsey to Host (privately): 1:19 PM

It's not on my list of options. Maybe there needs to be permission from the host?

from Emily Ramsey to Host (privately): 1:19 PM

Sorry to mess things up so early!!

from Ashley Sarver to Host (privately): 1:21 PM

Sounds great, thanks!

from Andrew Werther to Host (privately): 1:21 PM

At this moment, the chat is not providing the option for everyone, the most non-private message option available is for "All Panelists." The WebEx event is not providing any other participants either who have joined the conference at this point - basically, under "Attendees:" it only states myself.

from Mike Jackson to Host (privately): 1:22 PM

I dont have a specific project yet, do I have to have a number?

from Valerie Bolinger to All Panelists: 1:22 PM

Anna, are you referring tot he chat function?

from Anna Margaret Barris to All Panelists: 1:22 PM

At this moment, the chat is not providing the option for everyone, the most non-private message option available is for "All Panelists." The WebEx event is not providing any other participants either who have joined the conference at this point - basically, under "Attendees:" it only states myself.

from Anna Margaret Barris to Mike Jackson (privately): 1:23 PM

nope you can join without represneting a project

from Anna Margaret Barris to All Panelists: 1:24 PM

HI Valerie- everyone is saying that they do not have options to enter their project # to everyone

from Anna Margaret Barris to All Panelists: 1:24 PM

Valerie- should I make you the host?

from Valerie Bolinger to All Panelists: 1:24 PM

Emily Ramsey's name shows up in the list as an attendee because she sent a chat. Attendees should select "All Panelists"

from Valerie Bolinger to All Panelists: 1:25 PM

when sending their project number

from Valerie Bolinger to All Panelists: 1:25 PM

Attendees do not have the option to chat with other attendees

from Anna Margaret Barris to All Panelists: 1:25 PM

ok, they cannot send a message to everyone...Is there something that i need to do to enable this? I didn't want private messages

from Emily Ramsey to Host (privately): 1:26 PM

Quick google search -- under Participants, there should be an option to assign privileges, and under the Communicate tab, there should be a box to check to allow chat with everyone.

from Michael Dubansky to Host (privately): 1:27 PM

Nope just "host", "presenter", "host & presenter", or all panelsits

from Darius Bryjka to All Panelists: 1:28 PM

If "Everyone" isn't available, let's just have them sent to "All Panelists"?

from Valerie Bolinger to All Panelists: 1:28 PM

I don't think there is a way to enable, but let me check . Most Attendee privileges are locked down

from Anna Margaret Barris to Emily Ramsey (privately): 1:28 PM

check now

from Michael Dubansky to Host (privately): 1:28 PM

there we go. "all attendees" just popped up

from Emily Ramsey to Host (privately): 1:28 PM

Yep, it's up now. Thanks!!

from Emily Ramsey to Host (privately): 1:28 PM

Looks like you're talking on mute

from Darius Bryjka to Anna Margaret Barris (privately): 1:29 PM

You're muted

from Valerie Bolinger to All Panelists: 1:29 PM

Yes, All Panelist would be the option. You will have the ability to save your chat messages at the end

from Valerie Bolinger to All Panelists: 1:30 PM

Your call in user2 is William Younger

from Valerie Bolinger to All Panelists: 1:30 PM

he does not have audio source by his name

from Marcus Ricci to Host & Presenter: 1:30 PM

Will the slides be available, or should I take screenshots?

from Marcus Ricci to Host & Presenter: 1:31 PM

You rock!

from Janis King to Anna Margaret Barris (privately): 1:32 PM

I can't hear you all

from Valerie Bolinger to All Panelists: 1:34 PM

can someone provide a phone number for Bob and will call him from my mobile

from Anna Margaret Barris to Janis King (privately): 1:35 PM

HI Jan- can you hear now?

from Valerie Bolinger to All Panelists: 1:35 PM

I see it on the slide, I will give him a call

from Janis King to Host & Presenter: 1:36 PM

yes

from Anna Margaret Barris to All Panelists: 1:40 PM

I was able to add Bob as a panelist, Hi Bob. Sorry I couldn't get to this earlier

from Darius Bryjka to Anna Margaret Barris (privately): 1:41 PM

Bob is an attendee. I don't know if you can make him a panelist as a host

from Anna Margaret Barris to Darius Bryjka (privately): 1:42 PM

I did, and it looked like he was a panelist for just a min

from Valerie Bolinger to All Panelists: 1:43 PM

spoke with bob, email was incorrect for panelist link. Bob has joined as an attendee - Anna you will need to move him over as a panelist by right clicking on his name and select panelist.

from Anna Margaret Barris to All Attendees: 1:45 PM

I did do that about 5 min ago and he was listed as a panelist but is no longer...now, i don't see him on the attendee list

from Valerie Bolinger to All Panelists: 1:46 PM

Anna, forgot to remind you - did you want to record this session?

from Anna Margaret Barris to All Attendees: 1:47 PM

Hi Jan- will you please re-enter your NPS project number and address and make sure that it is sent to "Everyone" there should be a drop down arrow, and you can select everyone or all attendees

from Anna Margaret Barris to Janis King (privately): 2:33 PM

nope, but I copied and pasted it for Everyone... do you see it? I'm not quite sure what the issue is... We will go ahead and announce the projects at the end of the meeting, that way people can let us know if their's is missing.

from Ellen Stoner to Anna Margaret Barris (privately): 3:02 PM

no, just your note. so odd. i've done a creen shot because i can see y submission to all attendees. I';; email it to you.

from Anna Margaret Barris to Ellen Stoner (privately): 3:04 PM

Thank you Ellen! Clearly, we still have some kinks to work out with this system- which is the only system that the State will support us using.

from Anna Margaret Barris to Frank Butterfield (privately): 3:12 PM

HI Frank, DO you want to say anything? I can unmute you at the end which is in about 7-10 slides...we have 16 projects represented, people are having some issues so I am going to announce the projects at the end.

from Frank Butterfield to Anna Margaret Barris (privately): 3:13 PM

Hi Anna Margaret: Would it be appropriate to say that we are working on historic tax credit advocacy for the next legislative session and if anyone has any questions they can feel free to contact me?

from Anna Margaret Barris to Frank Butterfield (privately): 3:14 PM

Yes- certainly!

from Anna Margaret Barris to Frank Butterfield (privately): 3:14 PM

I will unmute you and introduce you as soon as AR is finished.

Anna, they need to ensure that the have an option selected in the to field

from Valerie Bolinger to Host (privately): 3:17 PM

who are the users?

from Anna Margaret Barris to All Panelists: 3:17 PM

When AR is finished, I am going to unmute Frank so he can talk about advocacy. I will then list the projects that are represented here today...I count 16. If you guys could monitor the chat for ? during that time.
