from BILLY MCGHEE to Host & Presenter: 1:59 PM

Why would someone want to submit multiple submittals?

from Anna Margaret Barris to BILLY MCGHEE (privately): 2:03 PM

Since the S-2 is based on time received, some projects have multiple people submit the S-2 as soon as it opens.

from BILLY MCGHEE to Host & Presenter: 2:15 PM

Thank you

from Rachel Firgens to All Panelists: 3:05 PM

Regarding the "lack of evidence of sufficient progress," do you have any sense of how long the project team would have to demonstrate such progress? How long after allocation might SHPO look to rescind the allocations?

from Anna Margaret Barris to Rachel Firgens (privately): 3:12 PM

HI Rachel, I will read your question and we will answer at the end...we are almost there :)

from Rachel Firgens to All Panelists: 3:28 PM
