

EXISTING CONDITIONS

- Install new asphalt shingle roof.
- Retain, repair and repaint the concrete block foundation. It should remain exposed.
- Repair existing historic windows. Those beyond repair can be replaced with new non-clad wood windows matching the historic profile and configuration.
- Remove shutters.
- Replace existing aluminum siding with new wood or compatible material siding, as shown below.

ILLINOIS MAIN  
STREET PROGRAM

The Illinois Historic Preservation Agency, through the Illinois Main Street Program, has provided this free design assistance to qualified property/business owners in the officially designated Main Street district. This conceptual rendering is based on information supplied to the staff. Should obscured architectural details or problems be revealed during the work, the local project manager and/or the staff architects should be consulted.
