PROPOSED DESIGN

Two-sided projecting sign should be installed, centered between upper-floor windows. Armature for sign should be painted light gray or tan to match the brick. "Limestone" should be repeated on each side, with metal plate (painted green) in between both sides of letters for readability. Both faces of coffee cup should be painted black, side should be painted green.

Steel lintel and column should be painted Black of Night (SW 6993) from Sherwin Williams paints.

Rosettes should be painted Lime Rickey (SW 6717) from Sherwin Williams paints.

Frame of steel lintel should be painted Pure White from Sherwin Williams paints.

Awning should be installed between brick pier and column, Sunbrella fabric black.

Business logo should be installed in white vinyl window graphics on display windows (over window mullions).
