

Existing Conditions

Small spot lights should be installed above each letter to light the sign at night. The light housing should be painted to match the background.

Individual pin-mounted letters should be installed as shown in PaddingtonSC font.

This area should be painted Yam (SW 6643) from Sherwin Williams Paints or a color that closely matches.

This area should be painted La Fonda Wild West Green (6006-4A) from Valspar paints

These areas should be painted City Arboretum (6006-4C) from Valspar paints

The storefront framing should be painted Lunar Tide (6006-3B) from Valspar paints

ILLINOIS MAIN STREET PROGRAM

The Illinois Historic Preservation Agency, through the Illinois Main Street Program, has provided this free design assistance to qualified property/business owners in the officially designated Main Street district. This conceptual rendering is based on information supplied to the staff. Should obscured architectural details or problems be revealed during the work, the local project manager and/or the staff architects should be consulted.
