Form RE-HTC 1

Rev. 5/25

FEDERAL PROJECT NUMBER

For both the State and the Federal Historic Tax Credits, the federal HISTORIC PRESERVATION CERTIFICATION APPLICATION (downloadable from <https://www.nps.gov/subjects/taxincentives/historic-preservation-certification-application.htm>) must also be submitted. It is strongly recommended that the Federal PARTS 1 and 2 and Form RE-HTC 1 (this form) be submitted and approved prior to the beginning of construction. The Federal PART 1 must be approved prior to placing the building in service in order to qualify. Any work done prior to approval of the Federal PART 2 (Description of Rehabilitation) will be at the owner's own risk and could disqualify the project for both the State and Federal credits. The Federal PART 3 is submitted at project completion. Form RE-HTC 2 (Certification of Qualified Expenditures) is submitted to IDNR after National Park Service approval of the Federal PART 3.
