ILLINOIS MAIN STREET PROGRAM

The Illinois Historic Preservation Agency, through the Illinois Main Street Program, has provided this free design assistance to qualified property/business owners in the officially designated Main Street district. This conceptual rendering is based on information supplied to the staff. Should obscured architectural details or problems be revealed during the work, the local project manager and/or the staff architects should be consulted.

New lighting should be installed over new sign, light should be contemporary in style. Shown, Twin Sign Star Style C (MR-16) from B-K Lighting.

New flush-mounted sign, vinyl graphics on PVC board or similar type. Sign should be installed through the mortar joints of the brick wall.

New vinyl graphics should be installed on lower windows. Graphics should follow logo design and should state business web-site, phone number, address, and graphics on door should list hours of operation.
