NOTE: The Illinois MAIN STREET Program, through the Illinois Historic Preservation Agency, has provided this free design assistance to qualified property/business owners in the officially designated MAIN STREET project areas. The rendering on this sheet is a conceptual view of the facade renovation based on information supplied to the staff architects. Should obscured architectural details or problems be revealed during the work, the local project manager and/or the staff architects should be consulted.

**SIGN ATTACHMENT**

Letters are attached to prism glass through suction cup supports.

**EXAMPLE OF A VITROLITE TRANSOM**

If the transom area of a storefront is clad with Vitrolite, appropriate signage can consist of inlaid metal/Vitrolite of different color or cast metal letters/neon mounted to the glass surface.
