

Section 106 Programmatic Agreement Among the City of Chicago and the Illinois State Historic Preservation Office

2023 Annual Report

The City of Chicago Department of Fleet and Facility Management (2FM) prepared the following 2023 Annual Report for the Illinois State Historic Preservation Office (SHPO) in accordance with Stipulation XII of the Programmatic Agreement (PA) for the Administration of Section 106 of the National Historic Preservation Act for Certain Programs Funded by the U.S. Department of Housing and Urban Development (HUD), entered into as of May 1, 2022. The 2023 Annual Report summarizes the activities carried out under the terms of the PA during 2023 (reporting period of January 1, 2023 through December 31, 2023). As outlined under Stipulation XII, this Annual Report includes the following:

1. List of property addresses submitted for review.
2. Program in which the Undertaking took place.
3. Assertion of National Register of Historic Places (NRHP) eligibility for evaluated properties.
4. The finding of effect for Undertakings involving Historic Properties.

To facilitate Section 106 review and documentation consistency, 2FM developed a Historic Property Identification and Determination Checklist based on the stipulations in the PA. The checklist includes the determination of the area of potential effects (APE), identification and evaluation of the properties located within the APE, and effect determination. A copy of the checklist is included as Attachment A.

In 2023, Qualified Personnel conducted Section 106 reviews for Undertakings under nine City of Chicago programs, as well as reviews for Chicago Housing Authority (CHA) projects and Community Project Funding (CPF) projects for other City Sister Agencies. The City of Chicago programs included the Emergency Heating Repair Program (EHR), Home Mod Program (HomeMod), Lead Service Line Replacement Program (LSLR), Lead Abatement and Healthy Homes Program (LBP), Multi-Family Loan Program (MFLOAN), Neighborhood Lending Program (NHS), Neighborhood Infrastructure Improvements Program (NII), Roof and Porch Repair Program (RPR), and Small Accessible Repairs for Seniors Program (SARFS).

The table below summarizes by program the number of addresses reviewed, the number eligible for the NRHP, and the number with an adverse effect.

Program	Number of Addresses Reviewed	Number Eligible for National Register of Historic Places (NRHP)	Number with an Adverse Effect
CHA	3	2	0
EHR	117	10	0
HomeMod	188	8	0
LSLR	823	89	0
LBP	74	4	0
MFLOAN	5	2	1
NHS	12	0	0
RPR	36	8	0
SARFS	230	18	0
NII	5	3	0
CPF	2	2	0
Total	1,495	146	1

In accordance with Stipulation XII, a full list of property addresses with program information, NRHP eligibility, and finding of effect, if applicable, is included in Attachment B.

PART E: Exempt Activity Determination for Historic Property/ies

- Undertaking determined to involve one or more exempt activity that by their nature have limited potential for an adverse effect and therefore further review is not required. The undertaking is considered exempt based on the following (select all that apply):
- Repair or replacement of electrical, plumbing, heating, and ventilation systems or their components, when no structural alteration is involved. This includes repair or replacement of interior electrical panels, breakers, circuits, switches, receptacles, plumbing and water lines, drains, sewers, fixtures, water heaters, heating vents, floor furnaces, wall heaters, central heat systems, and gas lines.
 - Repair or replacement of existing asphalt roofing shingles with new asphalt roofing shingles.
 - Painting of any exterior component which has previously been painted.
 - Repair, removal, or replacement in kind of existing utilities in the same locations. Utilities include sewer, water, electrical, gas, and leach lines; storm drains; septic tanks; and wells. Installation of new utilities when those new utilities are replacing existing utilities that must be relocated to meet all applicable legal requirements.
 - Repair, removal, or replacement in kind of existing, non-historic infrastructure, such as foundations, sidewalks, curbs, driveways.
 - Replacement of existing porch footings in their existing locations.
 - Acquisition, refinance or acquisition assistance.
 - Non-structural, non-permanent interior modifications for handicapped accessibility in kitchens and bathrooms, including grab bars, walk-in/roll-in tubs/showers, etc.
 - Non-structural interior modifications such as installing smoke/carbon monoxide detectors, weatherstripping, caulking, wall/trim repairing, painting previously painted surfaces, and installing new hardware where no historic hardware is present.

The undertaking will have no adverse effect. **(Section 106 Review Complete)**

- Undertaking does not involve an exempt activity. **(Proceed to Part F)**
