NOW, THEREFORE, FHWA, IDOT, and the SHPO agree that the Undertaking shall be implemented in accordance with the following stipulations to take into account the effect of the undertaking on historic properties.

STIPULATIONS

FHWA, in coordination with the IDOT, shall ensure that the following measures are carried out:

1. Prior to beginning of construction activities, IDOT shall submit documentation concerning the Ford City Drive Bridge over Pulaski Road to the SHPO in compliance with Level III standards of the Historic Illinois Engineering Record (HIER). The IDOT must receive written concurrence from the SHPO that the documentation is acceptable prior to IDOT undertaking demolition of the existing bridge. The final HIER must be submitted to SHPO within three (3) months after approval of the draft HIER by SHPO.

2. DURATION

This agreement will be null and void if its stipulations are not carried out within five (5) years from the date of its execution. Prior to such time, FHWA may consult with the other signatories to reconsider the terms of the agreement and amend it in accordance with Stipulation 5 below. FHWA shall notify the signatories as to the course of action it will pursue.

3. POST-REVIEW DISCOVERIES

If potential historic properties are discovered or unanticipated effects on historic properties found, FHWA shall make reasonable efforts to avoid, minimize, or mitigate adverse effects to such properties and follow the requirements of 36 CFR Section 800.13(b).

4. DISPUTE RESOLUTION

A. Forward all documentation relevant to the dispute, including the FHWA's proposed resolution, to the ACHP. The ACHP shall provide FHWA with its advice on the resolution of the objection within thirty (30) days of receiving adequate documentation. Prior to reaching a final decision on the dispute, FHWA shall prepare a written response that takes into account any timely advice or comments regarding the dispute from the ACHP and signatories and provide them with a copy of this written response. FHWA will then proceed according to its final decision.

B. If the ACHP does not provide its advice regarding the dispute within the thirty (30) day time period FHWA may make a final decision on the dispute and proceed accordingly. Prior to reaching such a final decision, FHWA shall prepare a written response that takes into account any timely comments regarding the dispute from the signatories to the agreement, and provide them and the ACHP with a copy of such written response.
