Iroquois County will ensure that their consultant who fulfills professional qualifications standards of the Secretary of the Interior for Architectural History and who has experience with documenting historic bridges, will record the historic property to meet the Historic Illinois Engineering Record (HIER) Level III documentation standard.
- D. Recordation will commence with documentation and photography of the historic property. A paper copy of the draft HIER report will be submitted by the Iroquois County for SHPO review, and a digital (pdf) copy will be submitted to the District.
- E. Upon SHPO's written acceptance of the draft report, the SHPO will forward their written acceptance to Iroquois County with a copy to the District.
- F. Upon receipt by the District of SHPO's written acceptance of the draft documentation, the District shall issue Permit No. CEMVR-OD-P-2018-1434 to Iroquois County. Upon receipt of the permit, Iroquois County may immediately commence demolition of the historic property.
- G. A final HIER Level III documentation package including two archival paper and digital (CD) copies in an appropriate archival box will be submitted by Iroquois County to SHPO. A digital (pdf) copy of the final HIER document will be submitted to the District by Iroquois County.

- H. Upon SHPO's written acceptance of the final HIER package, the SHPO will forward their written acceptance to Iroquois County and the District. With this written communication from the SHPO, the Section 106 process will have been concluded.

II. DURATION

This MOA will be null and void if its terms are not carried out within three (3) years from the date of its execution. Prior to such time, the District may consult with the other signatories to reconsider the terms of this MOA and amend it in accordance with Stipulation IV below.

- A. Forward all documentation relevant to the dispute, including the District's proposed resolution, to the ACHP. The ACHP shall provide the District with its advice on the resolution of the objection within thirty (30) days of receiving adequate documentation.
