Dear Colleen Callahan,

Re: Annual Report on Use of Streamlined Review for Section 106 Compliance by Lewis and Clark National Historic Trail

As you know, the Programmatic Agreement (PA) for Section 106 Compliance signed by the National Council of Preservation Officers, the Advisory Council on Historic Preservation, and the National Park Service in 2008 contains several reporting requirements. Among these is an annual report to the SHPOs listing all undertakings reviewed using the Streamlined Review process (See Section III.B.5(d) in the PA for this reporting requirement.)

This report serves to notify that no (0) undertakings occurred during 2022 that required use of the Streamlined Review process from the Lewis and Clark National Historic Trail.

Please do not hesitate to contact me by phone at 402-661-1806 or by email at [mark\\_weekley@nps.gov](mailto:mark_weekley@nps.gov) if you have any questions or comments about our use of the PA.

Sincerely,

Mark Weekley  
Superintendent  
Lewis and Clark National Historic Trail
