Dear Colleen Callahan,

Re: Annual Report on Use of Streamlined Review for Section 106 Compliance by Lewis and Clark National Historic Trail

The Programmatic Agreement (PA) for Section 106 compliance signed by the National Council of Preservation officers, the Advisory Council on Historic Preservation, and the National Park Service in 2008 contains multiple reporting requirements. Among these is an annual report to the SHPOs and THPOs listing all undertakings reviewed using the Streamlined Review process. {See Section III.B.5(d) in the PA for this reporting requirement.}

This report serves to notify that no (0) undertakings occurred during 2020 or 2021 that required use of the Streamlined Review process from the Lewis and Clark National Historic Trail.

Please do not hesitate to contact me by phone at 402-661-1806 or by email at mark_weekley@nps.gov if you have any questions or comments about our use of the PA.

Sincerely,

Mark Weekley
Superintendent
