Re: Annual Report on Use of Streamlined Review for Section 106 Compliance by Lincoln Home National Historic Site

Dear Ms. Wallace:

The Programmatic Agreement (PA) for Section 106 Compliance signed by the National Council of Preservation Officers, the Advisory Council on Historic Preservation, and the National Park Service in 2008 contains several reporting requirements. Among these is an annual report to the SHPOs listing all undertakings reviewed using the Streamlined Review process (See Section III.B.5 (d) in the PA for this reporting requirement).

Enclosed please find an Excel report fulfilling the annual requirements for CY2024. It contains a list of all undertakings at Lincoln Home National Historic Site that used the streamlined review process along with the cultural resource management specialists who reviewed the undertakings.

  - Jason Taylor, Lincoln Home National Historic Site
- Curator
  - Susan M. Haake, Lincoln Home National Historic Site
  - Keely Rennie, Midwest Regional Office

We will retain copies of these reports and will provide further copies to the SHPO should the SHPO request these, and will be happy to respond to any questions or comments about our use of the PA.

If you have any questions about any of the above, please note the change in staff from Tim Good to myself. I can be reached at [Christopher\\_collins@nps.gov](mailto:Christopher_collins@nps.gov) or (314) 435-3138.
