Re: Annual Report on Use of the Streamlined Review for Section 106 Compliance by
Pullman National Historical Park

Dear Mr. Rubano:

The Programmatic Agreement (PA) for Section 106 Compliance entered into by the National Council of State Historic Preservation Officers, the Advisory Council on Historic Preservation, and the National Park Service in 2008 contains a number of reporting requirements. Among them is an annual report to the State Historic Preservation Officers listing all undertakings reviewed using the Streamlined Review process (See Section III.B.5(d) in the PA for this reporting requirement).

Please find enclosed the Biennial Report and an Excel spreadsheet fulfilling this requirement. They contain a list of all undertakings at Pullman National Historical Park along with the list of Cultural Resource Management Specialists who reviewed these undertakings.

Please do not hesitate to contact Ms. Judith Collins, Historical Architect and Compliance Coordinator, at (219) 395-1986 if you have any questions or comments about the park's use of the Programmatic Agreement.

Sincerely,

Susan Bennett
