

## ARCHAEOLOGICAL CONSULTANTS

This Illinois State Historic Preservation Office (SHPO) keeps this list as a courtesy for constituents and entities seeking the services of professionals who, to the best of the SHPO's meet the Secretary of the Interior's Professional Qualifications Standards for Archaeology, established by the National Park Service (NPS) and published in the Code of Federal Regulations, 36 CFR Part 61 (<https://www.nps.gov/articles/sec-standards-prof-quals.htm>). This list is not intended to be exhaustive and is limited to entities based in Illinois or adjacent states, Indigenous-owned and/or operated entities nationwide, and entities capable of conducting underwater archaeology. Inclusion on this list does not constitute any recommendation or endorsement by the SHPO.

- If your historic-preservation actions are required by a Memorandum of Agreement with our office, or if they are receiving state or federal grants, then your consultant must meet the SOI's Professional Qualification Standards, whether or not they are on this list.
- Email requests for inclusion, accompanied by a Curriculum Vitae and a statement of how the consultant meets the Qualifications for Archaeology, to Jeff Kruchten: [jeff.kruchten@illinois.gov](mailto:jeff.kruchten@illinois.gov).
