

## HISTORICAL CONSULTANTS

The Illinois State Historic Preservation Office (SHPO) keeps this list as a courtesy for constituents and entities seeking the services of professionals who, to the best of the SHPO's knowledge, meet the Professional Qualifications Standards in the fields of **History** or **Architectural History** established by the National Park Service (NPS) and published in the Code of Federal Regulations, 36 CFR Part 61

(<https://www.nps.gov/articles/sec-standards-prof-quals.htm>). This list also contains photographers who have demonstrated the ability to photograph historic resources in accordance with federal HABS/HAER/HALS standards. Inclusion does not constitute any recommendation or endorsement by the SHPO.

- If your historic-preservation actions are required by a Memorandum of Agreement with our office, or if they are receiving state or federal grants, then your consultant must meet the NPS Qualification Standards, whether or not he or she is on this list.
- Email requests for inclusion, accompanied by a Curriculum Vitae and a statement of how the consultant meets the Qualifications for History or Architectural History to CJ Wallace: [carol.wallace@illinois.gov](mailto:carol.wallace@illinois.gov).
